South Ontario - Region 583

2013 Area 1B Spring League Program

Head Coach Application

I am interested in a coaching position in the South Ontario Region 583 Spring League Program for the Spring 2013 season. I understand that my selection is not based solely on my Fall 2012 team's finishing position. I also understand that I must have been a Fall 2012 Head Coach in this region and in the division I wish to coach for spring. Further, I understand that **each Spring League Program Team must provide a three person referee team for coverage of games scheduled for Spring 2013.** I understand also that I must have age appropriate Coach training or better. Additionally I agree that, if I am chosen to coach a Spring League Team, I will not contact any player about their possible participation in the spring program until the conclusion of the Fall 2012 Season for ALL teams in my division.
